SIPA

Scandinavian International Property Association

- › is an exclusive organization for major property investors with interests in the Nordic countries and was established in 1989.
- › SIPA offers a unique network, combining the members' outstanding knowledge of the Nordic property markets and the excellent experience from the members' investments across the world.
- › The Association is exclusive and only open to those that by their size or their activity can play an important role on the North European property markets.
- › SIPA offers a unique gateway for those that are interested in the dynamic property markets in the Nordic countries.
- › The Association and its members works for a more property friendly climate on the respective homemarkets.
- › Throughout the years SIPA has developed to be the natural partner for foreign investors to find their way into the Nordic property markets.
- › The SIPA members represent the largest and most important property actors on the Nordic markets. The majority of the members are coming from Denmark, Finland, Norway and Sweden.
- › The total property value represented by the majority of SIPA's members exceeds EUR 60 billion.

SIPA
